### **3.1. Advertising**

All jobs and positions will be advertised as widely as is reasonably practicable, to ensure that applicants come forward from a wide variety of backgrounds and walks of life.

SRC Taxis will not restrict the advertising of any job or position to any publication, place or medium which would exclude or disproportionately reduce applications from any particular race, age, gender or religion.

No job or position will be advertised in such a way, or with such requirements or prerequisites that it shall exclude or discourage applications from any particular gender or age group, or from persons of a particular marital status.

### **3.2. Short-listing**

When short-listing applicants for interview, SRC Taxis will take into consideration only the applicant's qualifications, experience and suitability for the role.

Insofar as possible, names, ages, dates of birth and other irrelevant information should be obscured or removed from application forms prior to short-listing to avoid inadvertent or unintentional discrimination.

All CV's or application forms which are rejected at short-listing should be reviewed by an independent third party, to ensure that no suitably qualified candidate is rejected on grounds relating to a protected characteristic.

### **3.3. Interview**

Interviewers will not ask questions which relate to any protected characteristic. Interviewers will ask all applicants the same set questions to ensure equal treatment as far as possible. Where an applicant identifies himself as having a disability, the Company will make all necessary adjustments to accommodate him at interview.

Clear and consistent selection criteria and scoring grids should be used. Selection for employment should be based solely on merit and the ability of the individual to do the job.

## **4. Working environment**

The working environment, terms of service or rate of pay of any employee shall be determined solely with reference to his qualifications, experience, the job role undertaken, and the conditions enjoyed by other staff of the same grade. No protected characteristic shall be used as a pretext or motivation to treat an employee in any way differently from his colleagues.

## **5. Training**

All employees shall be entitled to training or career development opportunities in line with their colleagues at the same level, who undertake a substantially similar job role. No employee shall be denied training or career development opportunities for any reason relating to a protected characteristic.
